Retail Grocers Swap Ninety  
for Sixty.

TO EXTEND CITY LIMITS

Governor Aycock Address the Colored  
Normal—Papers in the Famous  
Galtis-Kilgo Damage  
Suit.

(Special to The Times-Dispatch.)  
RALPHIGH, N. C., June 26.—The  
Raleigh Retail Grocers Association  
largely attended meeting last night  
at the Southern Bell and Raleigh  
telephone, thereby ruling out the  
Interstate.

At present business houses have to pay  
\$90 per year for their phones. The  
two adopted cost \$60. Members of the  
association have sixty days time to  
discontinue the Interstate and put in  
one of the other two. Other commercial  
organizations are expected to follow suit.

Raleigh will vote on extension of the  
city limits Monday, and the fight was  
very warm. Both sides claim vic-  
tory. The registration is about 2,000,  
and the vote will certainly be close.

**COLORED NORMAL.**  
A very successful summer normal for  
colored teachers closed at St. Augustine's  
School to-day. Ten counties have been  
represented. At the closing educational  
rally this evening, Bishop Joseph Plouffe  
Cheshire, Professor E. P. Moses, and  
Governor Aycock were the principal  
speakers, the Governor's being an  
important talk.

The clerk of Wake Superior Court has  
received from the clerk of Granville  
County Court the papers in the noted  
damage suit of T. J. Galtis vs. J. C.  
Kilgo, and B. N. Duke, of the trustees  
of Trinity College. The case, it will be  
remembered, was ordered moved from  
Granville to Wake. The trial is the fourth  
in the history of the case—not to come  
up until the October term. Owing to the  
already congested condition of the Wake  
docket, it is by no means certain that it  
will be tried then.

**CHARTER OF NAME.**  
Notice is received in the office of the  
Secretary of State of the change of the  
name of the American Lumber Company,  
High Point, to the Grand Rapids Furni-  
ture Company. E. M. Amfield is president,  
and J. H. Tate secretary.

The Newland Manufacturing Company,  
of Elizabeth City is chartered with \$25,000  
authorized, and \$125,000 authorized.

Another new corporation is the Estate  
Electric Company, of Mecklenburg, Yancey  
county, capital \$25,000. The incorporators  
are E. F. W. Chapman and several  
other local capitalists.

## FIRST NOMINATED HEARST

The Industrial Journal at Charlotte  
Suspends Publication.

(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., June 26.—The  
Industrial Journal, the organ of the Na-  
tional Federation of Labor, has sus-  
pended publication, the last issue appearing June  
6th. The paper has been in several hands  
since its establishment two or three years  
ago, but at the time of its suspension it  
was conducted by Mr. Frank E. Cline,  
who is now in Salisbury.

The Industrial Journal was known as  
the Laborer and Journeyman. It did  
much to foster the sentiment of unionism  
in this community, made crusades for  
child labor legislation, and bore the dis-  
tinction of being the original supporter in  
this State of William Randolph Hearst  
for the Democratic Presidential nomina-  
tion next year.

An effort is being made to get capital  
interested in another newspaper enter-  
prise, to be the exponent of organized  
labor, and to free the masses of the in-  
dustrial Journal.

## ENGLISHMAN'S BARN BURNED

Fayetteville Will Celebrate the Fourth  
of July.

(Special to The Times-Dispatch.)  
FAYETTEVILLE, N. C., June 26.—  
Last night the barns and other out-  
buildings were destroyed by fire at  
"Arranmore," the beautiful country home  
of Mr. E. A. Johnston, a wealthy English-  
man from Liverpool, who has owned  
horses, milch cows and kennels of hunt-  
ing dogs were saved, but vehicles, for-  
warded by express, and the head of the  
entire family were lost. The loss of the  
entire family was a great one.

Fayetteville will celebrate the Fourth  
of July in good old-fashioned style,  
with fireworks, band music, and a fire  
department will give a real team con-  
test, and the Independent Light Infantry  
battalion, composed of the 1st, 2nd, 3rd  
and 4th companies, will entertain the crowd  
with street parade and sham battle.

## DESPERATE MAN'S DESPERATE DEED

Burrill's Reason for Shooting  
His Daughter-In-Law and  
Grandchild.

(Special to The Times-Dispatch.)  
ASHEVILLE, N. C., June 26.—Through  
telephone message from Hendersonville  
to-day the fact is learned that a sen-  
sational turn has been given the Burrill  
shooting affair, which occurred yester-  
day morning, and in which George Bur-  
rill shot his daughter-in-law and her  
two-year-old daughter.

It is now known that Mrs. Burrill  
and her daughter had started to work  
in a field shortly after daylight, when  
Burrill stepped out from behind a clump  
of bushes and made an improper propo-  
sition to the woman. His advances were  
rejected, whereupon the man, in a fit of  
anger, threw a shotgun to his shoulder  
and fired. The shot dangerously wounded  
the woman, and, passing on, broke the  
arm of the little girl. The child's arm  
will have to be amputated.

After committing the deed Burrill  
calmly turned about and walked off to  
the woods, and has not been seen since.  
While a number of men are diligently  
searching for the fugitive, others have  
declined to take part in the chase. Bur-  
rill is known as one of the most des-  
perate men who ever lived in the moun-  
tains of Western North Carolina.

## Barley-Malt Best Hops No Corn

One reason for the

## GOOD ROADS IN GUILFORD

The Highways Radiating from  
Greensboro and High Point  
to Be Improved.

(Special to The Times-Dispatch.)  
GREENSBORO, N. C., June 26.—The  
Guilford County Highway Commission  
held its first meeting yesterday after-  
noon and decided which of the county  
roads will be improved first.

They agreed upon seven roads, five ra-  
diating for a distance of six miles from  
Greensboro, and two radiating from  
High Point. Work on one of these  
roads will begin July 1st, with the road  
outfit the county already owns. The  
superior road outfit, consisting of a  
separate and the contracts awarded this  
way or in combination as may seem best,  
the county attorney was ordered to  
advise for the first five per cent. thirty-  
year bonds, to the amount of \$75,000  
per year, for five years.

A great many road machinery repre-  
sentatives are expected at the meeting next  
Thursday.

Chairman of the County Board of Edu-  
cation, Allen Holt, to-day received a  
letter from Prof. Thomas A. Sharpe, of  
Darlington, S. C., accepting the educa-  
tion, to which he was recently elected. Mr.  
Sharpe will begin his duties July 1st.

The Newland Manufacturing Company,  
of Elizabeth City is chartered with \$25,000  
authorized, and \$125,000 authorized.

Another new corporation is the Estate  
Electric Company, of Mecklenburg, Yancey  
county, capital \$25,000. The incorporators

other local capitalists.

## DROWNED AT THE FORD

The Valley Pike Made a Lake by a  
Cloud-Burst.

(Special to The Times-Dispatch.)  
HARRISONBURG, VA., June 26.—As a  
result of a very serious cloud-burst in  
the northern part of the county, last night,  
all the streams in the county were  
swollen and especially the south branch  
of the Shenandoah, running through the  
eastern part of the county, which is several  
feet higher than usual.

At Harrisonburg's Ford, near Elkton,  
Aaron Sheffield, residing near Elkton,  
was drowned. His body was found in the  
river about 12 o'clock. At that time the water was up  
more than usual. It is evident that the  
dead man did not pay any attention to the  
matter, for when he attempted to cross  
on his return trip, the current was so  
strong that he was unable to do so.

In attempting to turn around and get  
out of the stream from the same side  
he was overturned and his body was  
completely overturned and Mr. Sheffield  
caught under the vehicle in such a manner  
that it was impossible for him to get out  
his way to the shore. There he was  
drowned in the sight of several people  
on the bank, who were powerless to aid  
him.

He was survived by a wife and three  
children and was fifty years old.

He was a district manager of the  
Home Life Insurance Company, who  
resides here was returning from a busi-  
ness trip to Staunton late Thursday night  
and had a narrow escape from drowning.  
Near Fort Defiance, a cloud-burst sud-  
denly appeared near the Parkins place on  
the Valley Pike. There was no more  
body of water, several feet deep and  
about half a mile long. Mr. Burke drove  
into the water and his horse and buggy  
were washed the horse and buggy against the  
bank, rendering the buggy useless by  
breaking the shafts. Mr. Burke called for  
help and several people came to his  
rescue. He was quickly released from  
what was found to be a precarious posi-  
tion and was taken to the hospital. He  
got out with much difficulty. Mr. Burke  
returned here this morning, having  
escaped the danger of the Parkins farm.

He is confined to his room to-day as a  
result of his exciting experience, but  
his condition is not regarded as serious.  
It is believed that the water was not  
accompanied by any serious results,  
although the water came down in torrents  
for a while early this morning.

Wesley Celebration.

(By Associated Press.)  
SAVANNAH, GA., June 26.—The Meth-  
odists celebrating the two hundredth an-  
niversary of John Wesley's birthday held  
two sessions to-day. One was at the  
Savannah Orphan House, founded by Wil-  
liam, and the other was in Wesley Mon-  
umental Church. At the latter, Wm. W.  
Pinson, of Columbus, Ga., delivered an  
address in the absence of Bishop  
Galloway, of Mississippi, who was  
unable to attend.

Geysers, Canyons, Hot Springs, Wild  
Animals, etc., are all described.

A YOUNG GIRL WITH  
A KNIFE AT HER THROAT

(Special to The Times-Dispatch.)  
ROANOK, VA., June 26.—Mike Ridge-  
way, a half-witted young man, attempted  
to criminally assault Miss Zaldie Over-  
street, the sixteen-year-old daughter of  
Mr. and Mrs. J. G. Overstreet, this morn-  
ing. The young girl went out with two  
children berry hunting, and the young  
man met her on the road.

She says he struck her on the arms  
with a stick, came to her, drew a knife,

## Social and Personal

Invitations have been received by friends  
in Richmond from Mrs. Laura B. Shot-  
well for the marriage of her granddaughter,  
Miss Annie Shotwell Green, to Mr.  
Lucien C. Gwin, Wednesday evening, July  
8th, at 8:30 o'clock. The ceremony will be  
performed in Trinity Episcopal Church,  
Natchez, Mississippi, and will be followed  
by a reception. The bride and groom-  
elect will make their home at Greenville,  
Mississippi, after September 1st.

Mrs. Shotwell, Miss Green and Miss  
Gwynn, the bride's sisters, are all well.  
They were married in Buffalo, N. Y.,  
where they have spent the summer. Mrs.  
Green's health is very good. Her grand-  
mother, who will be interested to hear of  
the approaching wedding, is Green being  
lovely young lady, with the most engag-  
ing manners. Her grandmother, Mrs.  
Shotwell, was a typical southern matron  
of a former generation, with the dignity  
and grace that belong to that day.

Miss Margaretta Halpall and Mr. Clin-  
ton H. Woodstock, of Troy, Va., were  
married Wednesday in the Western Pres-  
byterian Church, Washington, the Rev.  
Gerard Wilson officiating.

The ceremony was performed in the  
home of the bride, Mrs. L. C. Gwin, where  
a reception was held after the cere-  
mony.

It is said that Virginia society in St.  
Louis is exceedingly anxious to have  
"Monticello" reproduced at the Virginia  
State building at the Louisiana Purchase  
Exposition, St. Louis, 1904.

Professor Albert W. Berg, a well-known  
musical composer and teacher, and for  
many years organist of the Little Church  
around the Corner in New York, will  
commemorate his golden wedding anni-  
versary by a thanksgiving service in St.  
Paul's Cathedral, New York, July 17th. As the  
author of themes for the organ and piano, Professor  
Berg is well known throughout the South.

Miss Lucy Bowers, who pursued a post-  
graduate course at the Woman's College  
last session, and who has been a guest  
in the home of Dr. J. W. Williams, will  
commence, is now at her home in  
Bowling Green, Va.

Miss Bowers has accepted invitations for  
summer house parties at Captain R. J.  
Williams', Old Point; Miss Fletcher's,  
Warrenton, Va., and Senator Cain's, at  
Sparksburg, Md.

F. H. Hardy, of Bon Air, performing the  
ceremony.

The bride, who is daughter of Mr.  
Lawson M. Crump, entered the church  
with her brother, Mr. Dallas Crump, and  
was met at the altar by the groom and  
best man, Mr. Arthur H. Sneed. She  
was gowned in white silk, with a veil of  
tulle and carried a shower of Bride roses.

Her maids of honor, Misses Mabel Crump,
